1104 Morningside Lane - Mahomet, IL
\$344,900

A quality Nelson Construction home with Craftsman details. The rich colors of the exterior siding, shake siding, and stone combined with the craftsman details make this home a handsome addition to the Whisper Meadow Subdivision. As you enter this home you are greeted by the open plan concept of the great room, dining room, kitchen, and dinette. The chef's dream kitchen has a huge center island and a large eat-in dinette. The kitchen features poplar cabinetry, stainless steel appliances, wood floors, and granite countertops. That important drop zone from the garage to house is lined with cubbies. The large master suite features a raised ceiling in the bedroom. The master bath has double vanities, ceramic tile whirlpool, separate ceramic tile shower, and a master closet large enough for two. The home is attractively finished with oil rubbed bronze fixtures and decorated in modern earth tone colors. All this, plus a partially finished basement with a full bathroom, bedroom, and large family room is waiting for you. The owner is a licensed real estate agent.
